PRESIDENT'S MESSAGE

NEW NRA INSTRUCTORS

I'd like to thank Ken Forsythe, an NRA Training Counselor and a long time member of our club for stepping up and helping us provide the club with classes for new enthusiastic instructors. Through the years, Ken, a resident of Michigan in the great white north, has spent his winters involved in our instructor group. We have a current class taking the NRA BIT class as well as instructor classes. I am so very proud of all our dedicated volunteer instructors who have helped make our club both safe and enjoyable.

SMALL CLUBHOUSE

We have recently done some upgrades in this building which were long overdue. In the very near future, we will be having the A/C-Heater units replaced with new units. This building has served us well for many years but I do look forward to when we are able to start Phase 2 construction on the big clubhouse

CLUBHOUSE STAFF

We still need a dedicated individual to work part-time in the clubhouse. If you are interested or have a friend or neighbor who is reliable we would welcome them to our team. This is an important paid position with contact with the general public and our club members.

We wish everyone a happy new year, good health and please stay vigilant when you are out in public. We hope to see you at the range.

Randie Rickert, President

CLUB HISTORY

The Hernando Sportsman's Club, Inc. was founded in January 1980 as the Hernando County Rifle & Pistol Club, Inc. It was formed to fill a need for an organized shooting fraternity in Hernando County and the surrounding areas. The main purpose of the Club is to support and encourage the legitimate and safe use of firearms, educate the public in safe firearms handling and encourage good sportsmanship and patriotism.

The Club began with eleven people who met at the North Campus of PHCC in January 1980. Among the Club's first accomplishments was obtaining a place to shoot. The Club used the McDonald Mine east of Brooksville as a range for several years. In 1983, the Club obtained permission to use another old mine off Weatherly Road just northeast of Brooksville which was about four times larger than the original mine. In 1988, with 140 members and many gun shows and fundraisers behind them, the Club finally purchased the current 80+ acre parcel of land off U.S. Hwy 19.

Actual access to the property at that time was through the north side of the 80 acres. Initial zoning and permitting was finally accomplished after approximately 3 years and construction began. Through this initial period, the Club did not actually have a range to use but through many fundraisers and events, the Club managed to grow and retain its members.

Work began on the 200-meter range and the trap range. Legal access to the club was obtained through a lease with the State for the use of the current road into Chassahowitzka Wildlife Management area. In February 1992, the Club finally hosted its first open house on the Trap Range which was somewhat completed. Construction continued on the 200-meter range and began on the 100-yard Open Range to provide a general-purpose range. Further construction brought the club a Skeet/Five Stand Range, an Archery Range and a 50 Yard Range. Construction continues today as funds permit which are primarily derived from the club gun & knife shows. Phase 1 of the clubhouse is complete and the club is moving toward Phase 2 which will house the kitchen, dining area, offices and a small store as well as a small conference room area.

The club offers shotgun, rifle, pistol and archery daily. Various events held at the range include Hi Power Rifle, Junior 22 Rifle, Big Bore Pistol Silhouette, Cowboy Action Matches & Cowboy Fast Draw, Bowling Pin Matches, Precision Pistol, IDPA, USPSA, Action Rifle Matches, 3 Gun Matches, 2 Gun Action Matches, Steel Matches, Machine Gun Shoots and Cannon Shoots. The Club also sponsors a 4-H Shooting Program, Hunters Education, Appleseed Rifle and NRA firearms classes.

Having begun with eleven members in 1980, the Club today has over 1100 family memberships. The Club is also an affiliate of the National Rifle Association, Unified Sportsman of Florida, National Skeet Shooting Assoc. Florida Sport Shooting Assoc., CMP, USPSA, IDPA, SASS. Membership is open and available for a one-time \$300.00 initiation fee plus \$100.00 annual dues. It is a family membership that includes spouse and any children living at home up to the age of 21 years. A monthly newsletter is published and mailed to all members. The Club welcomes visitors to the range and to the quarterly club meetings held the first Tuesday in January, April & October in the Clubhouse with July being the annual club dinner meeting for members only.

IDPA DEFENSIVE PISTOL MATCH

SATURDAY, JAN 16 (CALL BEFORE ATTENDING)

ENTRY FEE IS \$10.00 MEMBERS - \$15 NON-MEMBERS

SIGNUP STARTS AT 8:30 AM, SAFETY MEETING AT 9:00 AM

Match will be run under IDPA and Hernando Sportsman Club rules.

The intent of the Defensive Pistol Match is to simulate self-defense scenarios and real-life encounters or skills. It is geared toward the new or average shooter, yet is fun, challenging and rewarding for the experienced shooter. The main goal is to test the skill and ability of the individual, not equipment or gamesmanship.

You will need about 100 rounds of ammunition, a belt holster, magazine pouches for 2 magazines/speed loaders and 3 magazines or speed loaders. **NO SHOULDER HOLSTERS OR BEHIND THE BACK HOLSTERS ARE ALLOWED DUE TO SAFETY CONCERNS.** Almost any non-compensated handgun with a barrel shorter than 5.3 inches (revolvers 4-inch barrel) can be used.
