PRESIDENT'S MESSAGE

RANGE IMPROVEMENTS

We have just rented a very large John Deere excavator. This will be much easier than when we first built the range berms. The old payloader just won't climb the hills and it only put 2 yards of sand on the hills at one time. It was long and tedious project our current range. Many of the berms will be increased in height, There will be a couple of new berms in appropriate places to better catch the bullets from our shooters. We will also need to adjust some of the ways in which matches are set up. We will always be looking for ways to improve our shooting sports and make it safer for everyone.

RANGE OFFICERS

We are looking for more volunteer range officers. We would like to return to a full week of shooting. This will require more volunteers to adequately staff the range. Our range officers make the difference in our club vs, other ranges. We are proud to have a safe range where people are comfortable coming to spend the day.

JULY 4TH MACHINE GUN SHOOT

We are looking for volunteers for our July 4th shoot. If you are a range officer or match director, please consider helping out on the line for at least part of the day, morning or afternoon. We also need help serving food in the clubhouse, help at the front gate and most important clean up at the end of the day. This is a great summer fundraiser for the club and the more volunteers, the easier it is for all of us. You can sign up in the clubhouse and specify what you want to volunteer for that day.

Hope to see you at the range. Come out and enjoy your club.

CLUB HISTORY

The Hernando Sportsman's Club, Inc. was founded in January 1980 as the Hernando County Rifle & Pistol Club, Inc. It was formed to fill a need for an organized shooting fraternity in Hernando County and the surrounding areas. The main purpose of the Club is to support and encourage the legitimate and safe usage of firearms, educate the public in safe firearms handling and encourage good sportsmanship and patriotism.

The Club began with eleven people who met at the North Campus of PHCC in January 1980. Among the Club's first accomplishments was obtaining a place to shoot. The Club used the McDonald Mine east of Brooksville as a range for several years. In 1983, the Club obtained permission to use another old mine off Weatherly Road just northeast of Brooksville which was about four times larger than the original mine. In 1988, with 140 members and many gun shows and fundraisers behind them, the Club finally purchased the current 80+ acre parcel of land off U.S. Hwy 19.

Actual access to the property at that time was through the north side of the 80 acres. Initial zoning and permitting was finally accomplished after approximately 3 years and construction began. Through this initial period, the Club did not actually have a range to use but through many fundraisers and events, the Club managed to grow and retain it's members.

Work began on the 200-meter range and the trap range. Legal access to the club was obtained through a lease with the State for the use of the current road into Chassahowitzka Wildlife Management area. In February 1992, the Club finally hosted it's first open house on the Trap Range which was somewhat completed. Construction continued on the 200-meter range and began on the 100-yard Open Range to provide a general-purpose range. Further construction brought the club a Skeet/Five Stand Range, an Archery Range and a 50 Yard Range. Construction continues today as funds permit which are primarily derived from the club gun & knife shows. Phase 1 of the clubhouse is complete and the club is moving toward Phase 2 which will house the kitchen, dining area, offices and a small store as well as a small conference room area.

The club offers shotgun, rifle, pistol and archery daily. Various events held at the range include Hi Power Rifle, Junior 22 Rifle, Big Bore Pistol Silhouette, Cowboy Action Matches & Cowboy Fast Draw, Bowling Pin Matches, Precision Pistol, IDPA, USPSA, Action Rifle Matches, 3 Gun Matches, 2 Gun Action Matches, Steel Matches, Machine Gun Shoots and Cannon Shoots. The Club also sponsors a 4-H Shooting Program, Hunters Education, Appleseed Rifle and NRA firearms classes.

Having begun with eleven members in 1980, the Club today has over 1100 family memberships. The Club is also an affiliate of the National Rifle Association, Unified Sportsman of Florida, National Skeet Shooting Assoc. Florida Sport Shooting Assoc., CMP, USPSA, IDPA, SASS. Membership is open and available for a one-time \$300.00 initiation fee plus \$100.00 annual dues. It is a family membership that includes spouse and any children living at home up to the age of 21 years. A monthly newsletter is published and mailed to all members. The Club welcomes visitors to the range and to the quarterly club meetings held the first Tuesday in January, April & October in the Clubhouse with July being the annual club dinner meeting for members only.
