PRESIDENT'S MESSAGE

JOHN DEERE PAYLOADER

We are in the process of rebuilding all the hydraulic rams that lift and control the payloader's bucket. This machine has been the work horse of our range. The payloader with it's 2 yard bucket has built all the ranges clearing trees and building berms. We estimate that the John Deere payloader has moved more than a million yards of sand. This also was accomplished by many volunteers. We expect to keep this machine in service as long as possible.

NEW TRACTOR

The board is entertaining a purchase of a new tractor to replace our existing machine. A new larger tractor will have the ability to unload the very heavy pallets of clay birds. All of the existing attachments for the old tractor will fit the new one. This will give us secure back up while our extended reach fork lift is undergoing repairs.

CLUB MEETING

We will have a general club meeting in June to nominate officers for the 2021-2023 term. Positions up for nomination are Vice President, Senior Executive Officer and two Executive Officers. Further details for the meeting will be in the June newsletter and posted in the clubhouse.

CLUBHOUSE STAFF

We still need a dedicated individual to work part-time in the clubhouse. If you are interested or have a friend or neighbor who is reliable we would welcome them to our team. This is an important paid position with contact with the general public and our club members. This is a great after retirement job and income.

Hope to see you at the range. Come out and enjoy your club.

CLUB HISTORY

The Hernando Sportsman's Club, Inc. was founded in January 1980 as the Hernando County Rifle & Pistol Club, Inc. It was formed to fill a need for an organized shooting fraternity in Hernando County and the surrounding areas. The main purpose of the Club is to support and encourage the legitimate and safe use of firearms, educate the public in safe firearms handling and encourage good sportsmanship and patriotism.

The Club began with eleven people who met at the North Campus of PHCC in January 1980. Among the Club's first accomplishments was obtaining a place to shoot. The Club used the McDonald Mine east of Brooksville as a range for several years. In 1983, the Club obtained permission to use another old mine off Weatherly Road just northeast of Brooksville which was about four times larger than the original mine. In 1988, with 140 members and many gun shows and fundraisers behind them, the Club finally purchased the current 80+ acre parcel of land off U.S. Hwy 19.

Actual access to the property at that time was through the north side of the 80 acres. Initial zoning and permitting was finally accomplished after approximately 3 years and construction began. Through this initial period, the Club did not actually have a range to use but through many fundraisers and events, the Club managed to grow and retain its members.

Work began on the 200-meter range and the trap range. Legal access to the club was obtained through a lease with the State for the use of the current road into Chassahowitzka Wildlife Management area. In February 1992, the Club finally hosted its first open house on the Trap Range which was somewhat completed. Construction continued on the 200-meter range and began on the 100-yard Open Range to provide a general-purpose range. Further construction brought the club a Skeet/Five Stand Range, an Archery Range and a 50 Yard Range. Construction continues today as funds permit which are primarily derived from the club gun & knife shows. Phase 1 of the clubhouse is complete and the club is moving toward Phase 2 which will house the kitchen, dining area, offices and a small store as well as a small conference room area.

The club offers shotgun, rifle, pistol and archery daily. Various events held at the range include Hi Power Rifle, Junior 22 Rifle, Big Bore Pistol Silhouette, Cowboy Action Matches & Cowboy Fast Draw, Bowling Pin Matches, Precision Pistol, IDPA, USPSA, Action Rifle Matches, 3 Gun Matches, 2 Gun Action Matches, Steel Matches, Machine Gun Shoots and Cannon Shoots. The Club also sponsors a 4-H Shooting Program, Hunters Education, Appleseed Rifle and NRA firearms classes.

Having begun with eleven members in 1980, the Club today has over 1100 family memberships. The Club is also an affiliate of the National Rifle Association, Unified Sportsman of Florida, National Skeet Shooting Assoc. Florida Sport Shooting Assoc., CMP, USPSA, IDPA, SASS. Membership is open and available for a one-time \$300.00 initiation fee plus \$100.00 annual dues. It is a family membership that includes spouse and any children living at home up to the age of 21 years. A monthly newsletter is published and mailed to all members. The Club welcomes visitors to the range and to the quarterly club meetings held the first Tuesday in January, April & October in the Clubhouse with July being the annual club dinner meeting for members only.

Hernando Sportsman's Club is now an official affiliated Steel Challenge Club! Our club # is SCSA247. Our monthly matches consist of a minimum of 4 classifier stages. This allows a shooter to become classified by shooting just one of our regular monthly matches.

Steel Challenge consists of 8 nationally recognized stages. Each stage has a 5-target array of steel plates that are engaged by each shooter for five consecutive timed runs. The best 4 out of 5 Times runs of each stage are totaled for the shooter's score. The lowest overall time in each class wins.

Competition schedule: Match day registration begins at 8:15 am. Safety Briefing at 9:00.. Shooters must attend the Safety Briefing to be eligible to shoot. Entry fee is \$11 for club members and \$16 for nonmembers for one gun only. Pre-signup is highly recommended and can be done from www.matchsignup.org.

Classes include Centerfire handguns, Rimfire handguns & Rifles and PPC (pistol caliber carbines).

Shooting the match: Rimfire handguns & rifles and Pistol Caliber Car-bines begin from the low ready position. Centerfire handguns will be drawn from an approved outside the belt holster. Bring at least 200 rounds of ammo for the match.

APRIL 3, 2021 STEEL CHALLENGE RESULTS

Great weather and a great turnout provided a perfect combination for a packed day of adventure. We started with our monthly 5 stage steel challenge competition with 51 shooters that ended around 12:30. First place went to William Huttenlocker RFPO. After a great pot luck luncheon with pork, beef, sides and desserts, we proceeded to a SPECIAL STEEL SHOOTOFF competition.

There were three divisions: 22 rimfire rifle and pistol, PCCO and centerfire pistol all starting from the table. Two separate plate setups provided simultaneous shooting with handicaps for different classifications. There is nothing like shooting head to head to get the adrenaline going. The winners split the entry fees.

Bob Thurston—Rimfire
Jeff Jones—PCCO
Bob Farr—Centerfire Pistol

Thanks to the steel crew for setups, teardowns, range officiating and luncheon. Bob Farr, Match Director

Along with big bore handgun, we have a separate class for .22 rim fire rifles and a class for "cowboy" rifles. Guns allowed are:

Any .22LR rifle or pistol
