PRESIDENT'S MESSAGE

WELCOME

I would like to welcome Saul Askin to the board. Saul has been appointed to one of the two open one year positions on the board. Saul has been an outstanding volunteer at many of the club events and we really have appreciated his help.

WELCOME, WELCOME

Henry Sutter and Ken Gerace, long-time members of Project Appleseed, have recently joined the club and will run the Project Appleseed program at our club. Project Appleseed is not only a great shooting program teaching beyond the basics of rifle marksmanship but it also includes some of our country's basic history.

AUGUST GUN SHOW

Our August Gun Show was successful despite bad weather and another round of Covid 19 scare. The show had a pretty good gate and also gained us new members. The gun shows that we did for 32 years in that dilapidated building at the fairgrounds and now about five years at our big safe & clean club house helped pay off the club property and the big building.

We'd like to thank all our great volunteers for their continued help at our shows. The club, like most things, is only as good as what you put into it in effort and volunteering. Our club is most fortunate to have great volunteers that have helped build and grow our terrific shooting sports facility. We are unusual for a gun club to have a shooting facility that offers something for everyone in the shooting sports.

Hope to see you at the range. Come out and enjoy your club. And bring a guest!

Randie Rickert, President

CLUB HISTORY

The Hernando Sportsman's Club, Inc. was founded in January 1980 as the Hernando County Rifle & Pistol Club, Inc. It was formed to fill a need for an organized shooting fraternity in Hernando County and the surrounding areas. The main purpose of the Club is to support and encourage the legitimate and safe use of firearms, educate the public in safe firearms handling and encourage good sportsmanship and patriotism.

The Club began with eleven people who met at the North Campus of PHCC in January 1980. Among the Club's first accomplishments was obtaining a place to shoot. The Club used the McDonald Mine east of Brooksville as a range for several years. In 1983, the Club obtained permission to use another old mine off Weatherly Road just northeast of Brooksville which was about four times larger than the original mine. In 1988, with 140 members and many gun shows and fundraisers behind them, the Club finally purchased the current 80+ acre parcel of land off U.S. Hwy 19.

Actual access to the property at that time was through the north side of the 80 acres. Initial zoning and permitting was finally accomplished after approximately 3 years and construction began. Through this initial period, the Club did not actually have a range to use but through many fundraisers and events, the Club managed to grow and retain its members.

Work began on the 200-meter range and the trap range. Legal access to the club was obtained through a lease with the State for the use of the current road into Chassahowitzka Wildlife Management area. In February 1992, the Club finally hosted its first open house on the Trap Range which was somewhat completed. Construction continued on the 200-meter range and began on the 100-yard Open Range to provide a general-purpose range. Further construction brought the club a Skeet/Five Stand Range, an Archery Range and a 50 Yard Range. Construction continues today as funds permit which are primarily derived from the club gun & knife shows. Phase 1 of the clubhouse is complete and the club is moving toward Phase 2 which will house the kitchen, dining area, offices and a small store as well as a small conference room area.

The club offers shotgun, rifle, pistol and archery daily. Various events held at the range include Hi Power Rifle, Junior 22 Rifle, Big Bore Pistol Silhouette, Cowboy Action Matches & Cowboy Fast Draw, Bowling Pin Matches, Precision Pistol, IDPA, USPSA, Action Rifle Matches, 3 Gun Matches, 2 Gun Action Matches, Steel Matches, Machine Gun Shoots and Cannon Shoots. The Club also sponsors a 4-H Shooting Program, Hunters Education, Appleseed Rifle and NRA firearms classes.

Having begun with eleven members in 1980, the Club today has over 1100 family memberships. The Club is also an affiliate of the National Rifle Association, Unified Sportsman of Florida, National Skeet Shooting Assoc. Florida Sport Shooting Assoc., CMP, USPSA, IDPA, SASS. Membership is open and available for a one-time \$300.00 initiation fee plus \$100.00 annual dues. It is a family membership that includes spouse and any children living at home up to the age of 21 years. A monthly newsletter is published and mailed to all members. The Club welcomes visitors to the range and to the quarterly club meetings held the first Tuesday in January, April & October in the Clubhouse with July being the annual club dinner meeting for members only.

Entry fee is \$11 for club members and \$16 for nonmembers for one gun only. Pre-signup is highly recommended and can be done from www.matchsignup.org.
