PRESIDENT'S MESSAGE

GUN RANGE

In late 1980, Diane and I moved from Michigan where we belonged to a big gun club (Western Wayne County Conservation Association). The club was located about 30 miles west of Detroit in Plymouth, Michigan. At the time the club had 635 members and included a 25/50 yard range, a 100 yard range, a 200 yard range, trap, skeet and an archery range.

When we moved to this area, Brooksville was a nice little town with a 2 lane road running through it. It never occurred to me at the time to look for a gun range where I could practice my sport. The closest range was Tampa. Through a local gun shop I joined the Hernando County Rifle & Pistol Club. I spent the next 3 months looking for the club based on the directions I was given. I was looking for a gun club. When I finally found it, it literally turned out to be a hole in the ground owned by a local mining company. There was a 2 point firing line made out of pallets and used sheet metal. The first meetings were at PHCC on US 98. There were all of 14 families. We decided to get a little bit involved.

The point that I am making is that our club is patterned after the club in Michigan. Through a lot of hard work and I repeat, A LOT plus a lot of volunteers, cook outs and gun shows, we have passed the 635 members of the club in Michigan. Our club has over 1100 family memberships. The club in Michigan kept growing with a membership only of approximately 3,000. I am quite proud of our member volunteer achievements. More to come.

BOARD MEMBERS/TRUSTEES

For the first time in a long time we will have a full complement of board members and trustees. I am not discounting past board members or trustees but am complimenting their achievements. We are all getting older!

Hope to see you at the range. Come out and enjoy your club.

Bob Farr, Match Director 352-238-6952

Hernando Sportsman's Club is now an official affiliated Steel Challenge Club! Our club # is SCSA247. Our monthly matches consist of a minimum of 4 classifier stages. This allows a shooter to become classified by shooting just one of our regular monthly matches.

Steel Challenge consists of 8 nationally recognized stages. Each stage has a 5-target array of steel plates that are engaged by each shooter for five consecutive timed runs. The best 4 out of 5 Times runs of each stage are totaled for the shooter's score. The lowest overall time in each class wins.

Competition schedule: Match day registration begins at 8::15 am. Safety Briefing at 9:00. Shooters must attend the Safety Briefing to be eligible to shoot. Entry fee is \$11 for club members and \$16 for nonmembers for one gun only. Pre-signup is highly recommended and can be done www.matchsignup.org.

Classes include Centerfire handguns, Rimfire handguns & Rifles and PPC (pistol caliber carbines).

Shooting the match: Rimfire handguns & rifles and Pistol Caliber Carbines begin from the low ready position. Centerfire handguns will be drawn from an approved outside the belt holster. Bring at least 200 rounds of ammo for the match.

A twenty-two (.22) caliber handgun is recommended, but any pistol approved by the RO in charge will be allowed.

The match will be held on the fourth Sunday of the month. This event will afford shooters an introduction to our sport and encourage more former participants to return.
